

TELADOC HEALTH TV PRO AND TV PRO+

# An affordable telehealth option

# Transform any HDMI-enabled TV or monitor into a world-class telehealth solution

This low-cost telehealth solution provides the flexibility to expand your regional presence and reach across the patient journey.

#### **Purpose-built capabilities**

Using a high-performance camera with pan-tilt-zoom capability, TV Pro and TV Pro+ enable detailed examinations and reading of patient monitoring devices from a distance, effectively placing the clinician in the room with the patient.

#### Easily assembled

and fully functional in minutes<sup>1</sup>

# Leverage existing HDMI-enabled TVs

or monitors to create telehealth endpoints

#### Includes a high-performance pan-tilt-zoom camera

with up to 20x optical zoom for close examination

#### Echo-canceling speakerphone

for high-quality audio experience

# Preloaded with the Solo™

software operating system

## Optional night vision camera for TV Pro+

for less intrusive oversight while patients are asleep

#### Wide variety of use cases

including rapid response, education, interdisciplinary rounding, specialty consults and discharge visits

TV Pro and TV Pro+ are ideal for detailed telehealth exams in fixed locations

Scale your
virtual care with
a high-quality,
affordable solution

# Industry-leading connectivity and 24/7 proactive monitoring<sup>2</sup> to ensure successful telehealth connections

Preloaded with Solo™ software

Ethernet and Wi-Fi options enable rural hospitals to connect to the Teladoc Health network

Included with TV Pro

Included with TV Pro+

Echo-canceling speakerphone for high-quality audio experience
